

Adjective Examples and Worksheets (PDF)

Adjectives are words that are used to modify nouns, pronouns, or other adjectives. Adjectives make the noun or pronoun more specific by defining their qualities, quantities, or states of being.

For example in the Sentence “I have two red pens”, both two and red are describing the noun pen. So both Two and Red are adjectives. Two is indicating the number of pens and Red is describing the color of the pens.

Types of Adjectives

Adjectives are of various kinds like

- **Quantitative Adjectives:** Three, Four, Many, Much, etc.
